Warmup/Attendance: [Week 13: Wednesday 11/18/2026]

Full Name: SID:

Work with the people around you to try to solve these problems, which we'll discuss together once lecture begins. These are not graded for correctness, but you will turn this sheet in for attendance at the end of class.

1. A spiderweb of causes

Suppose there is Stat 20 class tomorrow. The **professor has prepared the warmup**. The **Reader will print** the warmup sheets. The **3 Tutors will hand out** the sheets. Now, imagine you are in class and have a warmup sheet in your hands. (Call this event "S")

Using the conditional counterfactual definition, what caused you to have the warmup sheet in your hands?

"P": The Professor preparing the sheet.
"R": The Reader printing the sheets.
"T1": Tutor 1 handing out the sheets.
"T2": Tutor 2 handing out the sheets.
"T3": Tutor 3 handing out the sheets.
"C": You coming to class on time.
